Narrowly Escapes Lynching-The Loss by the Express Robbery -Attempted Murder.

HARRISON, ARK., October 30 .- Datalls have just reached this place of the cold bluoded murder at his home in Marion county, on the 22d instant, of James N. Hamilton, late deputy collector of internal revenue in the office of Henry M. Cooper, at Little Rock. About two years ago Hamilton, while acting as deputy collector of internal revenue, made a raid in Johnson county on a number of illicit distillers, among whom was a man by the name of Mulligan, capturing some of the distillers and managing to get of the distillers and managing to get here with their crooked property. Mulligan was one of these who escaped, and nothing more was heard of him until a short time sgo, when he came to the house of Hamilton, who was residing on a farm in Marion county, and applied for work, giving his name as Page. Hamilton employed him and he worked until last Friday night without attracting any particular attention. On that night he left Hamilton's house, and went to he left Hamilton's house, and went to the house of a neighbor, about half a mile distant, to spend the night.

After the family had retired for the night Page (or Mulligan) left the house, and going back to Hamilton's crept into the latter's bearcom, and as he lay an large of a placed of pints. he lay as eep placed a pistol to his head, blowing out his brains. He fled. Mrs. Hamilton gave the alarm, and there being some men about the place, there being some men about the place, the neighbors were soon aroused and in pursuit of the murderer. A party of citizens caught him a short distance from the house and, placing a rope around his neck, made him confess his crime. Just as they were in the act of lynching him another party of clippes came up, and the lynchers. citizens came up and the lynchers, supposing them to be officers, left their man and scattered. Mulligan, taking advantage of the excitement, escaped, but was recaptured the next day and taken to Yellville, where he is now in jail. Hamilton had twice been elected Sheriff and twice Circuit Clerk of Searcy county. He was for four years a deputy collector of inter-nal revenue, and was a candidate for Sheriff at the recent elections.

Sr. Louis, Mo., October 30 .- As the days pass the amount stolen from the Adams Express Company's car on the St. Louis and San Francisco railroad last Monday night grows with alarming rapidity. F rst it was said to be \$50,000, then \$70,000, then \$80,000, and today from facts learned from the shippers of money by the Adams Company on Monday the amount is estimated to be at least \$100,000, and may aggregate \$120,000. Manager Weir was seen early yesterday evening. He said 41 to a reporter that the best detective talent that could be found was work-ing upon the case, but that there were so many clews as to who perpetrated the robbery, that it was difficult to select from among them. The threads of evidence were numerous, but they were gradually being woven together, and they expected to hear from their agents in a day or two. Later in the evening Mr. Weir received advices which caused his hasty departure from the city. Where he went no one on the cuside knows, and the com-any's officials refused to say. Boston, Mass, October 30.—The disabled steamer Pavonia now lies on the beach at Rainsford's Island, whither she was towed last night from off Buston Light, where she was an-chored. It was discovered that the steamer was making water in other than her forward compartment, so much so that her fires were extin-guished by the water in the hold. It was decided to take off all the passengers remaining on board and beach the vessel to prevent her from sinking. The passengers were all transferred in safety to the city by tugs and pilot boats, reaching here early this morning. Her mails and baggage are now being brought to this city by tugs.
